

135 Pre-Applications for CIRM Basic Biology I Awards

CIRM received 135 pre-applications for the CIRM Basic Biology I Awards RFA 08-07. Three non-California experts and three CIRM scientists reviewed those short-form applications. Based on scores from these six reviewers, a total of 43 applicants were invited to submit full applications by April 30, 2009, for review by the CIRM Grants Working Group in June. The full RFA is available here:
